Black Badge Hall of Fame updated!

Posted 10.10.23

We've overhauled the Black Badge Hall of Fame page! For anyone unfamiliar, the BBHOF is our online record of everyone who's won DEF CON's ultimate prize- a limited edition badge that comes with lifetime free entry and eternal glory. If you're not on the list, maybe it's time to get a plan together.

And while we're talking about contests, you can check the contest results for DC31 here. Congratulations to the winners and respect to everyone who gets in the arena.

Workshop: Other threads, or canceled workshops
In order to have some transparency on workshops that may have been offered, but were canceled, I'll try to put canceled workshops here with "strikeout" and change to title to indicate cancellation. Also, any threads not -on-topic to specific workshops, but about workshops may be placed here.
